**RE: Cancellation of June Board Meeting and Establishing a Special Meeting
05/16/2018 Board of Directors Meeting**

I will not be available to attend the regularly scheduled Board meeting of June 20, 2018. If the Board desires to change the date of the June meeting, the recommended form of motion would be:

“I move to cancel the regularly scheduled Board of Directors Meeting on June 20, 2018 and set a special meeting on Tuesday, June 12, 2018” (or other selected date).
