RE: May 25, 2018 Public Records Act Request

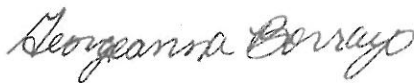

Dear 

This letter is to acknowledge your Public Record Act Request dated May 25, 2018, and received by the Paradise Irrigation District (PID) that same day wherein you request the following:

1. "I would like to request the outcome of the employee vote in regard to the selection of the District Manager. In addition to the tally, I would like to see the actual ballots submitted by employees from all departments to include administration, field, treatment plant and lake."

Pursuant to Government Code section 6253, subdivision (c), this letter serves to advise you that the Request seeks information that is exempt from disclosure. Specifically, the requested records are not subject to disclosure pursuant to Government Code section 6254 paragraphs (a), (c), and (k), specifically California Evidence Code section 1040 and Government Code section 54957 and Government Code section 6255. The confidentiality of personnel documents and information used as part of a deliberative process outweighs any public interest in disclosure.

Sincerely,

Georgeanna Borrayo
District Secretary

cc: Kevin Phillips, Interim District Manager

This is an enquiry email via <https://www.pidwater.com/> from:

[REDACTED]

Good morning. I would like to request the outcome of the employee vote in regard to the selection of the District Manager. In addition to the tally, I would like to see the actual ballots submitted by employees from all departments to include administration, field, treatment plant and lake. Thank you.
