

## CHAPTER 2 DIRECTORS AND OFFICERS

### 2.1 QUALIFICATIONS FOR ELECTED DIRECTORS

#### A. Residence –

Each Director shall be a voter and a resident in the District, and a resident of the division that he represents at the time of his nomination or appointment and through his entire term. Section 1770 of the California Government Code describes events causing vacancy in a Director's residency as:

1. His or her ceasing to be an inhabitant of the state, or if the office be local and one for which local residence is required by law, of the district, county or city for which the officer was chosen or appointed, or within which the duties of his or her office are required.
2. His or her absence from the state without the permission required by law beyond the period allowed by law.
3. His or her ceasing to discharge the duties of his or her office for the period of three consecutive months, except when prevented by sickness, or when absent from the state with the permission required by law.

#### B. Oath of Office –

Before entering upon the duties of office, each Board member shall take and subscribe to the statutory Oath of Office.

#### C. Code of Ethics –

The Board of Directors is committed to providing excellence in leadership that result in the provision of the highest quality of services to its constituents. The Board intends to fully comply with the provisions of the State's open meeting law for public agencies (The Ralph M. Brown Act), adhere to federal and state government codes, comply with the Fair Political Practices Commission guidelines, and uphold the Constitutions of the United States and the State of California. In order to assist Directors to fulfill their obligations, and keeping in mind that new or revised statutes may add further regulations, the following rules shall be observed:

1. The dignity, style, and opinions of each Director shall be respected.
2. Responsiveness and attentive listening in communication is encouraged.

3. The primary responsibility of the Board is the formulation and evaluation of policy. Routine matters concerning the operational aspects of the District are to be delegated to the professional staff members of the District.
4. Directors should commit themselves to emphasizing the positive and avoiding when possible, negative forms of interaction.
5. Directors should commit themselves to focusing on issues and not personalities. The presentation of the opinions of others should be encouraged.
6. Differing viewpoints are healthy in the decision-making process. Individuals have the right to disagree with ideas and opinions, but without being disagreeable. Once the Board takes action, Directors should commit to supporting said action and not to creating barriers to the implementation of said action.
7. Directors should practice the following procedures:
  - a. In seeking clarification on informational items, Directors may directly approach professional staff members to obtain information needed to supplement, upgrade, or enhance their knowledge to improve legislative decision-making.
  - b. In handling complaints from residents and property owners of the District, said complaints should be referred directly to the Manager.
  - c. In handling items related to safety, concerns for safety or hazards should be reported to the Manager or to the District office. Emergency situations should be dealt with immediately by seeking appropriate assistance.
  - d. In seeking clarification for policy-related concern, especially those involving personnel, legal action, annexation, property acquisition and development, finances, and programming, said concerns could be referred directly to the Manager.
8. When approached by District personnel concerning specific District policy, Directors should direct inquires to the appropriate professional staff supervisor. The chain of command should be followed.
9. The work of the District is a team effort. All individuals should work together in a collaborative process, assisting each other in conducting the affairs of the District.

10. When responding to constituent requests and concerns, Directors should be courteous, responding to individuals in a positive and timely manner and routing their questions through appropriate channels and to responsible management personnel.
11. Directors should develop a working relationship with the Manager wherein current issues, concerns, and District projects can be discussed comfortably and openly.
12. The Brown Act contemplates that Directors should function as a part of the whole Board. Issues should be brought to the attention of the Board as a whole, rather than to individual members selectively. When a Director is speaking for himself or in his capacity as an individual member of the Board, he should clearly identify that limited capacity.
13. Directors are responsible for monitoring the District's progress in attaining its goals and objectives, while pursuing its mission.
14. A perceived violation of the Code of Ethics policy by a Board member should be referred to the President of the Board or the full Board for investigation, and consideration of any appropriate action warranted. A violation of this policy may be addressed by the use of such remedies as are available by law to the District, including, but not limited to:
  - a. Adoption of a resolution expressing disapproval of the conduct of the Board member who has violated this policy.
  - b. Injunctive relief
  - c. Referral of the violation to the District Attorney and/or the Grand Jury.

## 2.4 VACANCIES IN BOARD OF DIRECTORS

### A. Events Creating Vacancies –

A list of events causing vacancy in office is set forth in Government Code section 1770. In general, an office becomes vacant in the case of the death of the incumbent, a court adjudication declaring that the incumbent is physically or mentally incapacitated due to disease, illness, or accident, the resignation of the incumbent, his or her removal from office, his or her ceasing to be a resident of the District, or if a director has been convicted of a felony.

### B. Filling of Vacancies –

1. Under the Irrigation District Act, vacancies on the Board of Directors shall be filled in accordance with the described procedures under Section 1780 of the Government Code.
2. The District shall notify the county elections official of the vacancy no later than 15 days after the Board is notified of the vacancy or the effective date of the vacancy, whichever is later.
3. The remaining members of the district board may fill a vacancy by appointment. Appointments shall be made within sixty (60) days after the effective date of the vacancy. Before making an appointment, a Notice of Vacancy must be posted in three (3) or more conspicuous places in the District for a period of at least fifteen (15) days.
4. Upon completion of the fifteen (15) day notice period, the Board of Directors may set a special meeting to facilitate the process for appointment of director to fill vacancy. The appointee would then participate as a voting director at the next scheduled Board of Directors meeting.
5. Should the Board fill the vacancy by appointment, it must notify the County Elections Official within fifteen (15) days of doing so.

6. In lieu of making an appointment, the remaining Directors may within 60 days of the date the district is notified of the vacancy or the effective date of the vacancy, whichever is later, call an election to fill the vacancy.
7. If the Board neither fills the vacancy nor calls an election, the Butte County Board of Supervisors may fill the vacancy within 90 days of the date of the vacancy or may order the District to call an election. If the Board of Supervisors fails to act, the District must call an election to fill the vacancy.

The Board must affirm an appointment by majority vote in open session.
2. The presiding Officer, established pursuant to these policies, shall chair the proceedings to fill the vacancy. The following is a recommended guideline to facilitate the process:

  - b. Board member feedback on candidates.
  - c. Public comment.
  - d. The President shall call for nominations from members of the Board. No second shall be required. Three votes shall be required for appointment. If only one person should be nominated, the board may act by motion to appoint such nominee.
  - e. In the case where there is a single candidate, but that candidate does not receive enough affirmative votes, a new call for candidate nominations is made and the voting process restarts.
  - f. In the event there are more than two eligible candidates, and none receive a majority of affirmative votes, the vote is rerun with only the candidates receiving the two highest vote counts eligible. (This may result in more than two candidates being eligible). The vote is retaken in the case of a tie. If the tie persists, a new call for candidates is made and the voting process restarts.
3. Before entering upon the duties of his/her office, each Director shall take and subscribe the official oath and file it with the Secretary. The oath of office may be taken before the Secretary, or any officer authorized by law to administer oaths.

4. Any person appointed to fill the vacancy must complete a Conflict of Interest Code Disclosure Statement within thirty (30) days of being appointed to office.
